

Clear and Confident Speech Starts Here

A simple guide to clearer English communication

Many English learners focus on grammar and vocabulary, but clear communication starts with clear speech.

In this guide, you'll discover three simple areas that can instantly make your English easier to understand.

3. Final Sounds

❌ ca' ✅ cat
❌ fas' ✅ fast

Quick Speech Check

- ☐ I can pronounce TH clearly.
- ☐ I know where word stress belongs.
- ☐ I finish sounds at the end of words.
- ☐ Most people understand me the first time I speak.

Remember:

**“You do not need a perfect accent.
You need clear communication.”**
