

Establish the Foundations of Clear Pronunciation

ESTABLISH YOUR TH SOUND

One sound. A big difference.

The **TH sound** is one of the most challenging sounds in English.
The good news?

→ Most learners can improve it quickly once they understand
the correct mouth position.

Establish Your English.
ROOTED IN COMMUNICATION

THE TH SOUND STARTS WITH YOUR TONGUE

1. Place the tip of your tongue gently between your teeth.

2. Do not hide your tongue behind your teeth.

3. Do not bite your tongue.

4. Let the air flow gently over your tongue.

QUICK TEST

Place your hand on your throat.

If your throat vibrates, your voice is ON.
If it does not vibrate, your voice is OFF.
